

Community Orchestra Rapidly Becoming Finely Established

The Community Orchestra which was established by Dr. Ting and a group of young men and women on Maui is fast shaping up its repertoire and will be ready before long to fulfill one important part of its purposes—to play for the public benefit. The orchestra, which has been rehearsing at the Alexander House Gymnasium and at Dr. Ting's house for the past 6 months, made its first public appearance when "His Father's Son" was played at the Wailuku "Hipp."

There are often occasions on Maui when an organization of this kind could fulfill a good purpose. Kula Sanitarium patients would no doubt be very grateful for an occasional concert. Arrangements are already being made to give such an entertainment in the near future. Our Community Christmas trees also afford excellent opportunity for service to a public cause.

The orchestra at present consists of 17 pieces. Each member owns his own instrument with the exception

of the bass viol which is owned and loaned by the Settlement. A bass drum and more music are needed; since no one wishes to buy a bass drum individually the Settlement is conducting a costume ball and mid-way with side shows Halloween night the proceeds to be used for this purpose.

The present members of the orchestra are:

Nettie Moura, president and pianist
Henry Shim, secretary-treasurer and 2nd violinist.
Dr. J. Y. Ting, director and 1st violinist.

J. S. Medeiros, bass viol.
Alfred de Rego, 1st violin.
George W. Bailey, mandolin.
Pak Wong, mandolin.
J. P. Viera, trombone.
J. B. Medeiros, cornet.
Louis Medeiros, clarinet.
A. S. Pomba, saxophone.
J. T. Correa, saxophone.
A. C. Jim, drum and traps.
Jno. E. Garcia, flute.
F. N. Lufkin, cello.
P. E. Pereira, 2nd violin.
F. A. Lufkin, saxophone.

Maui Players Need Community Support

Members of the cast of "Clarence" are going into their final rehearsals and putting on the final and polishing touches to their work for the production a week from tomorrow night. Tickets that may be exchanged for reserved seats have been on sale by members of the Maui players for the past several days.

Maui Players are a community organization designed to furnish the community with amateur dramatic entertainments of a class that will please and will furnish enjoyment at periods when no professional companies come to Maui, which is the greater part of the time since it is not often that such companies as the one that has been on Maui this week are billed in the theaters here. As such community enterprise it asks for the support of the public in its initial performance.

Talents aplenty exist on Maui and with public support there is no reason why good productions may not be staged frequently. The company will render such performances for the benefit of community enterprises which may from time to time require the support of the Maui Players.

With Maui's Girl Scouts

(By Miss Frances Seibert, Director.)
Now that the Fair is over we should settle down and do some real scouting.

I am happy to report that all the troops now have leaders. Isn't that splendid, girls? Perhaps you would be interested to know the names, numbers and officers of all the troops.

I. Carnation, Spreckelsville, Mrs. Ed. Deimert, captain and Miss Young, lieutenant.

II. Wild Rose, Lahaina, Miss Anna Maude Anderson, captain and Miss Jennie Johnson, lieutenant.

III. Star of Bethlehem, Lahaina, Miss Luella Shaeffer, captain; no lieutenant.

IV. Calla Lilly, Keokea, Miss Alicia Ching, captain and Miss Helen Chung, lieutenant.

V. Roselani, Kahului, Mrs. E. B. Wicke, captain and no lieutenant.

VI. Bougainvillea, Paia, Miss Pearl Brooks, captain and Miss Cressie Tilley, lieutenant.

VII. Morning Glory, Hamakua, Miss Florence Buell, captain and no lieutenant.

VIII. Sweet Pea, Makawao, Mrs. Kong, captain and no lieutenant.

IX. Pakalana, Maunaloa Seminary, Miss Grace Vincent, captain and no lieutenant.

X. Cup of Gold, Maunaloa Seminary, Miss Ethel Collins, captain and no lieutenant.

XI. Daffodil, Keahua, Mrs. Foster Roinson, captain and no lieutenant.

XII. Lehua, Wailuku, Miss Grace Crockett, captain and no lieutenant.

XIII. American Beauty Rose, Paikohi, Mrs. Ralph Shaw, captain and no lieutenant.

(The above are all registered troops and thus are entitled to receive numbers.)

Following is the list of new troops not registered, hence no numbers are assigned them.

Daisy, Haiku, Miss Helen Leandro, captain and no lieutenant.

Ginger, Wailuku, Mrs. Bernie Williams, captain and Miss Sadie Whitehead, lieutenant.

Malle, Wailuku, Mrs. David Wadsworth, captain.

Maui High School, Miss B. Johnson, captain, no lieutenant.

We are extremely fortunate in having two young married women accept

the leadership of a troop, namely Mrs. David Wadsworth and Mrs. Ed. Deimert, secretary-treasurer of the local council. The director feels it is more the privilege and duty of the young married women of the community to act as advisers and leaders of our girls than it is that of the teachers, who being in daily contact with these girls, are naturally not as fresh and interesting as the people who come in from the outside once a week.

So far the teachers have assumed the entire responsibility willingly and have accomplished splendid results. Mrs. Ralph Shaw of Paikohi and Mrs. Foster Robinson of Keahua are at present the only two officers who are local women. So it is with a great deal of pleasure and enthusiasm that we welcome Mrs. Deimert and Mrs. Wadsworth.

Troop Activities

Maunaloa Seminary—The director was much pleased to unexpectedly drop in on a meeting of the Pakalana scouts last Wednesday and find them conducting their own meeting, without their captain, in a most commendatory fashion. Following is a letter from their secretary.

"Maunaloa Seminary,
Paia, Maui, Oct. 5, 1922.

"Dear Miss Seibert:

"The first meeting of the Pakalana Troop was held on Wednesday afternoon, September 27, in the school room four. The meeting began with the regular opening exercises. After the exercises the business meeting was called to order by the chairman, Getrude Anderson.

"The election of the officers for the coming year was the main event of the business meeting. Officers elected are as follows: Secretary and scribe, Dorothy Kaloa; treasurer, Mitama Tokunaga; patrol leaders, Annie Ikeaka and Sakae Tokunaga; corporals, Lilian Maalo and Shizuko Tokunaga. Color bearer Josephine Pickard. Twelve scouts responded to the roll call.

At our second meeting October 4, two more scouts joined us. Elizabeth Kaholokula of the Cup of Gold and Foong Kyase Lawa, member of our troop last year.

"Captain Vincent gave a short talk on scouting at the fair. Rest of the time was spent signalling.

"Our meeting closed with the regular closing exercises.

"DOROTHY KALO, Secretary and Scribe."

Lahaina and Paikohi—The scouts from this side are record breakers in pitching "pup" tents. We were mighty proud of their work at the Fair.

Paia—We think we have a joke on you, girls. Next time when we want you to do a first aid demonstration we will keep the ball and bat far out of your reach.

This troop is going to have some first class scouts before the end of the year. Let's go, girls!

Haiku—Did you see the little white scouts with their sailor hats and yellow and white neckerchiefs? They are our little Haiku "daisies." Captain Helen Leandro has sixteen of them and showing much interest in their future. We believe they will be the next troop to register. Congratulations, Haiku.

Wailuku—The "Malle" troop held its first meeting at the school house last Monday afternoon. The girls enrolled and we think four more will at the next meeting. Mrs. Fances Wadsworth will be the captain for this troop.

Wailuku and Kahului—These two troops assisted at the playgrounds during the Fair, thus earning a few hours toward their Community Service pin.

The Wailuku (Lehua) troop will hold their meeting this week, Friday evening, 7:30 o'clock, at the Kanda home.

Wailuku (Troop 2)—The Ginger troop held their regular meeting Monday evening in the Settlement Gymnasium. The tests are coming fine. At this rate they will soon be a registered troop.

Girl Scout Week, October 21-28.

"During October, a week has been set aside for Special Girl Scout demonstrations, in order that every one may know just what scouting means when applied to girls. It is a most unusual opportunity for Girl Scouts to make strong friends of the public.

Local councils are already making special arrangements for Girl Scout week. For example, plans are under way in New York City for a service Day Parade to open the week. Girl scouts will probably carry flowers, fruit and delicacies to the children in the hospitals as they did last year. Rallies and other exhibitions of Girl Scout work will be shown to the public.

During this time, every faithful Girl Scout will want to earn money for the extension of scouting. She will be only too glad to help other girls to become scouts. In towns where there is no council, money may be sent by the captain directly to headquarters.

(American Girl Magazine.)

"RED CROWN" used exclusively in ANNUAL ECONOMY RUNS

The Los Angeles-Yosemite (Camp Curry) Economy Run is probably the most famous event of its kind held in the United States. Every year about the middle of May, while the snow still lies deep in the mountain passes, from 15 to 20 cars start the strenuous 360-mile run from Los Angeles across the interior valleys and up the difficult mountain roads into the Yosemite Valley. And every car is carefully groomed for victory, and driven by an expert.

And in all the six runs so far held, all cars entered have used Red Crown gasoline exclusively.

This year the car making the run on the lowest consumption of fuel, a *Chevrolet driven by Dominick Basso, made the entire trip of 360 miles on 12 gallons of "Red Crown" (an average of 30 miles to the gallon), and a pint of Zerolene.

The average gasoline consumption for all cars participating was phenomenally low. This furnishes striking evidence of the continued success of this company in manufacturing a motor-car fuel of the highest grade, justifying for six successive years the unanimous choice of automotive engineers eager to establish the best possible records for their cars. This year, 18 of the 20 cars entered made the entire distance on less than 20 gallons of "Red Crown," although owing to recent rains the roads were unusually difficult.

Red Crown gasoline is the most economical motor fuel on the market today, because it contains the maximum number of heat units that can be rapidly and uniformly vaporized in the modern carburetor and go into complete combustion in the cylinders, producing the maximum power the engine was designed to develop.

Fill at the Red Crown sign—at Service Stations, garages and other dealers.
